Special Show Exhibitors may show 1 animal.

When choosing, please take into consideration the special needs of your child and the child's age and size. Goats and sheep are smaller than cows and as such are better suited for younger/smaller or less active youth. Participants with severe physical challenges may want to consider showing a rabbit or chicken, which are smaller and easier to handle.

(Choose and circle only 1)

Goat	Chicken
Sheep	Turkey
Cow	Rabbit

T-shirts will be provided for each youth participant. Please circle whether your size is YOUTH or ADULT and note the size on the line.

I/we have read and understand the Rules and Regulations of the 2019 Franklin County 4-H Livestock Fun Show.

Parents and guardians please check the boxes to affirm that you understand the following:

- Parent or legal guardian must attend the show with the youth.
- I understand that livestock can be a source of serious human diseases such salmonella, E. coli and other animal borne diseases. I understand that as care giver, I need to minimize these risks by sanitizing any equipment (wheel chairs, braces, crutches, etc.) that comes in contact with the animals or animal products. This should be done prior to loading the equipment in to my vehicle to prevent transference to the vehicle or home.

Lunch Tickets:

- Exhibitor (no charge)
- Additional Family & Friends* (\$10 each - Pay in advance)

requested: _____

** If you have multiple children, please ONLY list the number of additional lunches requested on one entry form.*

I certify that the above information is accurate to the best of my knowledge.

Disease Prevention (everyone sign): In order to address concerns about animal health, food safety, and human safety and because of concerns about disease transmission from other countries, we ask that parents please read the information below and sign.

As parent/guardian of (participant) _____, I certify that:

1. No show participant or immediate family member has or will have visited a foreign country for at least 2 weeks prior to the show.
2. I understand that livestock can be a source of serious human diseases such salmonella, E.coli and other animal borne diseases. I understand the risk associated with my children participating in this livestock project, both from disease and from physical injury.
3. I have gone over disease prevention with my child such as the importance of careful hand washing after handling animals, minimizing exposure to fecal material, protecting wounds, and avoiding contact with food around animal areas, etc. If my child is unable to do this, I need to implement disease prevention measures such as hand washing/sanitation, etc.
4. I understand that as care giver, I need to minimize these risks by sanitizing any equipment (wheel chairs, braces, crutches, etc.) that comes in contact with the animals or animal products. This should be done prior to loading the equipment in to my vehicle to prevent transference to the vehicle or home.
